BEYOND THE WORLD & CITY STANDS

- The cities of the world must fall, however solid, they must all the common ruin share; but yonder city still appears unchangeable through endless years, for God himself is there.
- 3. Happy the people who abide within those walls, and there reside for ever with the King!Our lot, we hope, will be to share their joys, and join the thousands there, the Saviour's praise to sing.
- 4. With such a prospect, should we grieve, when called our earthly house to leave, and part with all below?A nobler house is ours above, from which we never shall remove; our God ordains it so.
