PILGRIM PRAYERS

2. In thy tender love and mercy, watch, O Lord, thy little band; shed upon us, as we journey, wondrous blessings from thy hand.

7. When the evening shadows darken, let the Morning Star appear; on the wings of meek devotion may we rise, and find thee near.

3. Let thy Spirit's gentle breathing fan and foster life divine, till we tread with firmer footsteps in this narrow way of thine.

8. When the lamp of faith is failing, Lord, the oil of grace supply; to the Canaan of our promise make us look with clearer eye.

4. Let each soul thy words of blessing –
"Peace be with you!" – gladly hear.
In each hour of toil or sorrow
may thy love our spirits cheer.

- 9. In each heart, with love and blessing, Saviour, let thy kingdom come; and in closest bonds united, lead us to our Father's home.
- 5. When our wayward hearts would wander, lead and keep us in thy ways; let a Sabbath-rest refresh us after toilsome, weary days.
- 10. O how full, how sweet a chorus, shall proclaim thy power and love, when the pilgrims all are gathered in Jerusalem above!

6. When temptations press around us, when our strength is fain to yield, let us see thee, and take courage; be our Captain, Shelter, Shield!
