

2. Hear the glad words of grace; 'tis finished; all is done; the everlasting peace is made, the victory is won, by him our sins who bore: – "Go, sinner, go in peace; go, and sin no more!"

3. Hear the glad words of grace, that come from yonder tree; the veil is rent, the blood is shed, the way to God is free, by him our sins who bore: – "Go, sinner, go in peace; go, and sin no more!"

4. Hear the glad words of grace; come, wanderer, boldly come; oh, hear the Father's voice of love that bids thee welcome home, by him our sins who bore: –

"Go, sinner, go in peace; go, and sin no more!"
