## GOD THE GIVER OF ALL

- 2. Giver of all gifts Divine, give me more and more life and light and peace and joy, from thy boundless store.
- 3. Everything this needy soul is sighing for, impart; all that can satisfy and cheer this ever-longing heart;
- 4. all the pardon and the grace, the strength and blessedness, the power for service here below, the deepening holiness;
- 5. everything this needy world requireth, Father, give, the blind to see, the deaf to hear, the dead in sin, to live.
- 6. Father of lights, our God, there is no change with thee; as thou hast been in ages past, so shalt thou ever be.
- 7. O Giver of all good, for evermore the same, hear when we plead thy love and truth, in the one blessèd Name!
