THE WAR SONG OF THE CHURCH

2. Day is dawning, night is flying; soon shall end this grief and sighing. Amen, Amen!

- 3. Rest is nearing, toil is ending; homeward now our path is bending. Amen, Amen!
- 4. Right is hasting, wrong is leaving; earth ere long shall cease its grieving.

 Amen, Amen!
- 5. Love is coming, hate is going; seeds of unity are sowing.
 Amen, Amen!
- 6. Fear is passing, hope is brightening; burdened brows and hearts are lightening. Amen, Amen!
- 7. Cells are opening, chains are bursting; weary spirits cease their thirsting.
 Amen, Amen!
- 8. Tears are drying, songs are breaking; earth's glad echoes are awaking.
 Amen, Amen!
- 9. Graves are opening, dead are meeting; heaven and earth each other greeting.
 Amen, Amen!
- 10. Hill and vale put on their gladness, not a trace remains of sadness.

 Amen, Amen!
