## GRACE AND PEACE

2. Boundless grace! Exhaustless treasure! Everlasting as the Word; vaster wealth than thought can measure, richer far than ear hath heard.

3. Perfect peace! Complete salvation, purchased with the price of blood; freed are we from condemnation in Christ Jesus, Son of God.

4. Glory! bright beyond the telling e'en of an archangel's voice; glory, in the Father's dwelling, where the children all rejoice.
