

2. Troubled hearts, why sink for sorrow?
 Jesus is nigh;
we shall sight the land tomorrow,
 Jesus is nigh.
 There is bliss beyond our knowing,
 past the waterflood's o'erflowing,
 to "the other side" we're going,
 Jesus is nigh.

Jesus is nigh;though the sea be wildly raging,Jesus is nigh.When the lightnings round are playing,hear his voice the storm allaying,"Peace, be still!" the Lord is saying,Jesus is nigh.
