AWAKE OUR SOULS! AWAKE OUR TONGUES!

- 2. This Saviour is the mighty God who fills the throne above; revealed in flesh he shed his blood, and thus declared his love.
- 3. Jesus, thy love exceeds our thought, but this we're giv'n to see, that they who feel its pow'r are taught to part with all for thee.
- 4. And though thy love be faintly seen, what's seen demands our praise; without this view we still had been engaged in folly's ways.
- 5. But when we lay this flesh aside, and gain the realms of light, obscuring clouds no more shall hide thy glory from our sight.
- 6. Then to the praise of love divine we'll strike our golden lyres; with heart and voice we'll sweetly join the everlasting choirs.
