## THE LIGHT IS SWEET, AND PLEASANT IS

- 2. a sun that sheds a purer ray, that gives to heav'n its light; a sun that yields perpetual day, that goes not down by night;
- 3. a sun that shines upon the way that leads to joys above; that cheers the pilgrim with its ray, and warms his heart with love.
- 4. This sun is ours; it gilds with light th' eternal vault of heav'n;'tis faintly viewed by mortal sight, as yet no more is giv'n.
- 5. But soon, we hope, a day will be, when clouds shall be no more; this glorious sun we then shall see in beauty, not before.
- 6. Till then it yields sufficient light to shew the heavenly way; and now and then it seems more bright, and darts a warmer ray.
- 7. Fair is the lot that 's cast for them, on whom this sun has ris'n; this sun illumines with its beam the darkness of a pris'n.
