JESUS OUR LORD IS KING

2. Angels confess his claim, angels exalt his name, "Angels of light"; spirits around his throne, blessed in him alone, making his glory known, day without night.

5. Then in triumphant songs, (such joy to heav'n belongs,) all shall unite; all shall unite to sing Jesus our glorious King, then shall all heaven ring, ring with delight.

3. High on his throne above, his is a throne of love, Jesus is seen: in yonder glorious place, angels adore his grace, angels behold his face, no cloud between.

6. While ages roll away,joy suffers no decay,ever the same:let us then praise our King,tribute and homage bring;Lord, 'tis thy name we sing,Jesus! thy name.

4. While we remain below,
"only in part we know";
more is not giv'n:
but there's a day at hand,
when, at our Lord's command,
we hope with joy to stand
near him in heav'n.
