## WHAT FOR US IS MORE BEFITTING

- 2. Can it be that such as we are, should in heav'n obtain a place?Pure and holy, such as they are who behold the Saviour's face.Shall we be with him and his?Shall we see him as he is?
- 3. If our hope on aught depended, save his word, that faithful is; were we from the foe defended, by another arm than his, then would it presumption be, did we hope the Lord to see.
- 4. He that keeps us lives for ever, grace, and truth, and pow'r are his; nothing from himself shall sever those he loves we rest on this. Hence we look with him to be, and his face with joy to see.
