FELLOWSHIP IN THE LORD

2. Let us, on growth in grace intent, feed on thy word and sacrament, enjoying sweet communion; let them our food and life here be, that thou in us, and we in thee, be joined in closest union; so that we may in thee live and grow, in weal and woe, and our branches intertwine, members of the living Vine.

3. Since thou to all such mercy showest, since thou on all such gifts bestowest, art patient and forgiving; O let one heart, and mind, and soul, pervade and animate the whole of all thy members living! Let the same holy flame burn in all, great and small, and unite in doing good all the Christian brotherhood.
