WHILE I WANDERED, JESUS SOUGHT ME

2. While the Shepherd was pursuing, still the foolish sheep would fly, bent upon its own undoing, and that foolish sheep was I.

3. When the foolish sheep was flying, and was still resolved to stray, what could save the sheep from dying, had the lion found his prey?

4. But the lion and the leopard were not with such terror viewed, as the good and gracious Shepherd, who to save the sheep pursued.

5. Yet the Shepherd, constant ever, came and bore the sheep away; happy sheep! but never, never, from the Shepherd henceforth stray.
