BELOVED ASSOCIATES IN THE STRIFE

- The soldiers of the cross must fight, till life itself is past; the foe assails them day and night, assails them to the last.
- 3. But let us still remember this, to faith it stands disclosed, the Lord, who saves us, greater is than all who are opposed.
- 4. We need not fly, we need not fear, since he who reigns above, in all our conflicts will be near the people of his love.
- 5. Our foes are strong, and many too, yet why these doubts and fears? For while we keep the Lord in view, our strength is more than theirs.
- 6. If thus we face the adverse powers, if thus we meet the strife, the victory will then be ours, and ours a crown of life.
