

- 2. Thirsting for the springs of waters that, by Love's eternal law, from the stricken Rock are flowing, "Well of Life!" from thee we draw.
- 3. Driven out from happy Eden, far from home and shelter strayed, tossed with tempest, faint from sunshine, "Tree of Life!" we seek thy shade.
- 4. In the land of cloud and shadow, where no human eye can see, Light of those who sit in darkness, "Light of Life!" we walk in thee.
- 5. Strangers upon earth, and pilgrims, wearied with the world, and weak, by life's many ways bewildered, "Path of Life!" for thee we seek.
- 6. Vexed with passion's hateful bondage longing, struggling to be free, where thy loving banner leads us, "Prince of Life!" we follow thee.
- 7. Sick of sense's vain deceivings crumbling round us into dust, strong alone in faith's believings, "Word of Life!" in thee we trust.
- 8. Thou the "Grace of Life" supplying, thou the "Crown of Life" wilt give, dead to sin, and daily dying, "Life of Life!" in thee we live.
