

- He may chasten and correct,
 but he never can neglect;
 may in faithfulness reprove,
 but he ne'er can cease to love.
- 3. While in him my trust is true, fear not I what man can do, joy and health with me abide while the Lord is on my side.
- 4. Thou my God art I will praise all thy goodness, all my days, I will even for thy rod thank thee, for thou art my God!
- 5. Though thou slay me I will trust, praise thee, even from the dust, prove, and tell it as I prove, thine unutterable Love.
- 6. Therefore I the world defy, while thy hand and heart are nigh; now, O Lord, my helper be, send us now prosperity.
