## JOY IN THE LORD

- 2. Up to heaven where he doth live, thro' the world which he doth give, raise thy heart and lift thy voice, 'And again I say, Rejoice!'
- 3. Gently all thy trials take, they are thine for Jesus' sake; meekly 'mid thy mercies move, they are thine thro' Jesus' love.
- 4. All thou hast and all thou art own as his with thankful heart, use as his with heedful care, for his coming to prepare.
- 5. 'Let your moderation be known to all men.' They shall see what God's grace can make of those who upon his truth repose.
- 6. Live above, tho' living in, this polluting world of sin, whether change or chance befall, using, not 'abusing', all.
- 7. Live in faith and live in prayer, in his presence everywhere; live as angels, tho' on earth, children of the second birth.
- 8. Live as those who on his eye hang with love, and walk thereby; 'in the lot' preparèd stand, for the Lord is nigh at hand!
