ALMIGHTY FATHER, JUST AND GOOD

2. O Jesus! we thy name adore, thou Son of God most high, who once for us didst not abhor within the womb to lie.

3. Stretched on the cross, thou once didst bow 'neath sin's tremendous load, and thus, our only Saviour, thou didst bring us back to God.

4. And thou, blessed Spirit, shalt be praised, thou Comforter from heaven: to thee shall joyful songs be raised, and endless thanks be given.

5. Triune Jehovah! all unite, here and in realms above, to celebrate thy matchless might, and thine eternal love.
