## TO THE COMFORTER

- 2. Strengthener of the poor and weak, to thy power for strength we seek; heavenly fullness, from above, oh descend in blessed love!
- 3. Patient Teacher of the blind, Opener of the sin-sealed mind, fix in us thy sure abode, and reveal the Christ of God.
- 4. Guider of the erring feet in the waste or busy street, lead us thro' life's Babel-crowds, through its pathless solitudes.
- 5. True Enricher of the poor, enter thou our lowly door; let thy liberal hand impart heavenly riches to our heart.
- 6. Looser of the bonds of sin, oh make haste and enter in; break each link, till there remains not one fragment of our chains.
- 7. Loving Spirit, come, oh come! Find in us thy endless home; find in this our world below a dwelling for thy glory now.
- 8. Holy Light, upon us shine with thy energy divine;
  Heavenly Brightness, break thou forth over this benighted earth.
- 9. With the eternal Father one, one with the eternal Son; eternal Spirit, thee we praise, now and through eternal days.
