THY KINGDOM COME!

- 2. Then like heaven's angelic bands, waiting for thine high commands, all my powers shall wait on thee, captive, yet divinely free.
- 3. At thy word my Will shall bow, Judgment, Reason, bending low; Hope, Desire, and every thought, into glad obedience brought.
- 4. Zeal shall haste on eager wing, hourly some new gift to bring; Wisdom, humbly casting down at thy feet her golden crown.
- 5. Tuned by thee in sweet accord, all shall sing their gracious Lord; Love, the leader of the choir, breathing round her seraph fire.
- 6. Be it so my heart 's thy throne, all my powers thy sceptre own, and, with them on thine own hill, live rejoicing in thy will.
