

- 2. In the day when earthly weakness weighs thy weary spirit down, all about thee seems a burden, all above thee seems a frown, God himself shall dry thy tears; God himself shall soothe thy fears.
- 3. In the day when sin oppresses, and the battle waxes strong, when the victory seems doubtful, or triumphant seems the wrong, God himself shall dry thy tears; God himself shall soothe thy fears."

Words: Horatius Bonar. Music: Johannes Thomas Rüegg.
