UNDER THY SHADOW

- 2. Leaning upon thee, close by thy side, in thy communion we would abide.Closer still clinging, Saviour, to thee, daily our journey upwards shall be.
- 3. Goodness and mercy ever attend, guidance and keeping on to the end!Solace in sorrow, brightness in gloom, light everlasting, over the tomb!
- 4. Counsel and comfort, whate'er befall, thou wilt afford us, Saviour, in all.Let thy glad presence still with us dwell: nothing shall harm us, all shall be well.
- 5. Faint yet pursuing, upwards we rise; see the bright city, yonder the prize!
 On to the haven, to the calm shore, in the fair city safe evermore!
