JUXTA CRUCEM

- 2. Peace that precious blood is sealing, all our wounds for ever healing, and removing every load; words of peace that voice has spoken, peace that shall no more be broken, peace between the soul and God, peace between the soul and God.
- 3. Love, its fullness there unfolding, stand we here in joy beholding, to the exiled sons of men; love, the gladness past all naming of an open heaven proclaiming, love, that bids us enter in, love, that bids us enter in.
- 4. GOD IS LOVE! we read the writing traced so deeply in the smiting of the glorious Surety there. GOD IS LIGHT! – we see it beaming like a heavenly day-spring gleaming, so divinely sweet and fair, so divinely sweet and fair.
- 5. Cross of shame, yet tree of glory, round thee winds the one great story of this ever-changing earth. Centre of the true and holy, grave of human sin and folly, womb of nature's second birth, womb of nature's second birth.
