PASSIO CHRISTI

- 2. Judas kisses and betrays;crowds in fury onward roll;lo, he speaks the healing word,and the smitten ear is whole.Prisoner, he is led alone,friend and lover both are gone.
- 3. Binding him in cruel chains, on they drag him at their will; smiting with their fists his back, his deep cup of woe they fill; stripe on stripe they on him lay, mixed with bitter mockery.
- 4. Innocent, he stands condemned, spite of taunts, serenely meek; questioned, answers not a word, bears the buffet on his cheek; hears unmoved the nation's cry, Crucify him! crucify!
