COMPLETE IN HIM

- 2. He paid the debt!He paid it with his blood;each claim he satisfied –all that we owe to God.He paid the debt!
- 3. He made the peace!He silences each fear;he is himself the peace,by blood he brings us near.He made the peace!
- 4. He did the work!
 The law he magnified;
 our lifetime's failure he
 hath gloriously supplied.
 He did the work!
- 5. The foe he fought!Our foe and his he slew;he leads us in the war,almighty to subdue.The foe he fought!
- 6. He won the life!
 Life by his death he won;
 that life he giveth us,
 the glory and the crown.
 He won the life!
