

2. Here the holy, happy greeting, here the calm and joyful meeting, God with man in glad accord.
Love that cross to us is telling, darkness, doubt, and fear dispelling, – love in Jesus Christ our Lord.

4. All the love of God is yonder, love above all thought and wonder, prefect love that casts out fear.Strength like dew is here distilling, glorious life our souls is filling, life eternal, only here.

3. Here is pardon's pledge and token, guilt's strong chain for ever broken, righteous peace securely made.Brightens now the brow once shaded, freshens now the face once faded: peace with God now makes us glad.

5. Here the living water welleth, here the Rock, now smitten, telleth of salvation freely given.
This the fount of love and pity, this the pathway to the city, this the very gate of heaven!
