

2. Eternal Son, eternal love,shed down thy healing from above:hear us, when on thy name we call,O thou who art the 'all in all'.

3. Eternal Spirit, life and light, health, gladness, comfort infinite, on us thy needy ones below, from thy celestial stores bestow.

4. Eternal God, to whom we bow,
Father and Son and Spirit thou;
to thee eternal praise be given
from men and angels, earth and heaven.
