## REMEMBERME

2. Now in the heaven of heavens, worshipped by angels high! But once upon the earth beneath, with sinful men in Nazareth, and devils in the waste! Jesus, the Christ, the Son of God, Jesus, the Christ, the Son of God, remember me, remember me!

3. Now 'mid eternal songs, thyself the glorious theme, – the once derided here, object of scoff, and taunt, and sneer, bearing the curse for us! Jesus, the Christ, the Son of God, Jesus, the Christ, the Son of God, remember me, remember me!
