

Great Promise of the Father, come, the Church's fading lamps relume; come, rekindle joy and love!
 Wisdom, and truth, and love are thine, life, light, and holiness divine; shed thy gifts down from above!

3. Witness of him who died and rose, who, as the conqueror of our foes, took his seat upon the throne; great gift of Jesus glorified, revealer of the Crucified, unto us reveal the Son!
