THE INSPIRING SPIRIT

- 2. Thine was the light in days of old, when raptured prophets saw and spoke; what wonders did their eyes behold! what glories on their vision broke!
- 3. They were but ministers of thine, when glowed their lips with sacred fire: and thou through them on us didst shine, when thou didst all their thoughts inspire.
- 4. Theirs was the voice, the truth thine own, when love's great mystery, long concealed, to unborn ages was made known in their illumined souls revealed.
- 5. 'Twas taught of thee that holy men wrote the full page of Jesus' grace and thou didst guide each faithful pen, the record of his love to trace.
- 6. O blessed Book! O Word Divine!
 'Tis God the Spirit speaks in thee;
 and I will make thy wisdom mine,
 till in heaven's perfect day I see.
