## HYMN TO THE HOLY GHOST

2. For thy mighty help we call; on our waiting spirits fall; fill us, cheer us, rule us all.

6. O what raptures may we feel, if but thou our eyes unseal, and the things of Christ reveal!

3. When returns the vernal glow, bud and blossom wake and grow; all things the sweet influence know.

> 7. Blessed Helper! by thee led, on our willing feet shall tread, till we see our glorious Head!

4. 'Neath thy breath our graces bloom; flee our wintry shades of gloom; come! our hearts prepare thee room.

8. Then, immortal years begun, while the eternal circuits run, praise, all Heaven, the Three in One!

5. If thou but within us move, we shall mount on wings of love, joyous as the hosts above.
