LORD, INCREASE OUR FAITH

2. My future, with its changing scenes of light and shadow sown, is in thy hands, O God of love, though now to me unknown.

3. Keep me from planning brighter days, save me from care and pride; give what thy wisdom deemeth right, and I am satisfied.

4. A fuller, warmer heart of love, give, gracious Lord, to me, – a simpler, stronger, noble faith, and happier thoughts of thee.
