THE LAND OF PROMISE

- 2. O Land of fountains and of deeps,
 of God's exhaustless store –
 O blessed Land, where he who reaps
 shall never hunger more –
- 3. O summer Land, for ever fair with God's unfading flowers;O Land, where spices fill the air, and songs the golden towers –
- 4. O Land of safety, Land of home, of God my Father's kiss, to thee, O glorious Land, I come, my heritage of bliss.
- 5. Lord, not through works of righteousness, the works that I have done, but through the glory of thy grace, the merit of thy Son,
- 6. to me this goodly Land is given, the heart of Christ to me – my Home, my Blessedness, my Heaven; my God, I worship thee.
