JESUS, MY SAVIOURI

2. Vile, sinful, wretched, as I am, I now can glory in thy name; washed in the laver of thy blood, clad in the righteousness of God.

3. All that thou hast, thou hast for me; all my fresh springs are hid in thee: in thee I live; while I confess I nothing am, yet all possess.

4. O Saviour, teach me to abide close sheltered at thy wounded side; each hour receiving "grace for grace," until I see thee face to face.
